

TRG-ASTON MARTIN RACING *PARTNER SUMMIT*

Nov. 19-20 - Daytona Beach, Florida
International Motorsport Center

The ascension of sports car racing is surpassed perhaps only by the powerful relationships created between the many business-to-business opportunities among a team's partners. At TRG-Aston Martin Racing, we pride ourselves in creating those relationships. So for two days in November, we will assemble our corporate partners and friends at IMSA / NASCAR corporate headquarters - BY SPECIAL INVITATION – recognized as the epicenter of North American motorsports. In a setting of camaraderie and thought-sharing, we will provide an overview of the upcoming 2015 season and the many opportunities it holds.

Hosted by Fox TV's Bob Varsha, you will hear from several notable guest speakers in attendance along with some of the top executives in our sport.
