

# Test Drive the Aston Martin GT4 and GT3 at Sebring!

Friday - Sun, Nov 21- 23

## V8 Vantage GT4 and V12 Vantage GT3

Join TRG-AMR North America for a special test event at one of America's most historic racetracks in Sebring, Florida. Sebring International Raceway is known for its 3.7 miles of fun and excitement; it's like no other track in North America.

With such an amazing opportunity available, TRG-AMR North America is excited to bring the incredible experience of driving an Aston Martin V12 Vantage GT3 or Vantage GT4 Racecar to a select group of participants.

TRG-AMR will provide a custom quote for Test Session and Race Group pricing. From a single 25 minute session, to a full three day immersion program. Professional engineering, data acquisition and driver coaching is included. Contact us to design an opportunity to fit your individual needs.

Programs start at \$2500
