It just got real. This is Daytona! Get behind the wheel and rent one of our cars: Aston Martin Vantage GT4 and Porsche Cayman Clubsport GT4 race cars as well as the V12 Aston Martin Vantage GT3 — the same cars that consistently chase wins and podiums on track in IMSA and Pirelli World Challenge competition. Or, bring your own race car or exotic streetcar and come enjoy this incredible track. All packages include professional driver instruction, full trackside support, at track hospitality and meals, as well as track rental fees. TRG's top professional drivers will be on hand to provide you with expert coaching at the track. Our race crew will make sure you've got full trackside support, no matter your driving level. You'll be treated in style by TRG's superb hospitality staff. Whether you're an individual driver or offering a corporate package to maximize the ultimate B2B platform, motorsports is the way to go and there's no better place than Daytona International Speedway with TRG.
