

Test Drive the Aston Martin GT4 and GT3 at Sebring!

Friday - Sun, Nov 21- 23

V8 Vantage GT4 and V12 Vantage GT3

Join TRG-AMR North America for a special test event at one of America's most historic racetracks in North America--Sebring International Raceway in Sebring, Florida.

TRG-AMR North America is excited to bring the incredible experience of driving an Aston Martin V12 Vantage GT3 or Vantage GT4 Racecar to a select group of participants.

This is a great opportunity for new drivers or teams looking at racing options for 2015, TRG team drivers looking to polish their skills, individuals looking to test or purchase a new Aston Martin racecar and for corporate clients looking

TRG-AMR can provide a custom quote for Test Session and Race Group pricing. From full orientation and a single track session to a full three day immersion program. Contact us to design an opportunity to fit your individual needs. Programs start at \$2500.

Programs start at \$2500
To learn how you can experience the thrill of racing and purchase a GT4 or GT3 racecar, please contact:
